Petition No 2386

26 May 1889

Petitioner

Deshaya, Agara

village Wangalamulla

Galle.—

Petitioner appeals against the order dated of the DC Commissioner dated 26 April 1889 refusing to grant lease in lieu of Petitioner's Ouvum which had become submerged in the bed of a Tank.

In the Ouvum settlement, the Ouvum was struck off as it was found that the land having been submerged in the bed of a Tank it was only cultivation for a very long time.— The Ouvamour does not appear to have requested the land to be struck off.— It appears that the land is now given by Govt for temporary cultivation.—

I think that the land should either be granted

Petitioner dated 18 July 1875 — he claimed the land in lieu —

Call for a report on the following points.—

1 — Has Petitioner applied for the land in lieu of portion submerged as far back as 18 July 1875 — From the correspondence appended by the DC Court dated 16 April 1889 25 April 1889 it appears that a Petition was sent to the DC Court, on the subject — what final orders were passed on it?

2 — Who cultivates the land now and on what terms?
